SPOTLIGHT: EMPLOYEE DESIGNATED GIVING PROGRAM

JAMES IBBAY, ILOCOS SURIAN ASSOCIATION OF HAWAII

Each month Islands Hospice engages with the community through our Employee Designated Giving Program. As part of this program, an IH employee designates up to \$5000 to the charity of his or her choice.

In October, James Ibbay, one of our awesome Directors of Clinic Services (DCS), chose to donate to the Ilocos Surian Association of Hawaii.

This organization is near and dear to his heart because they have been helping many of his community members in his native Philippines as well as here in Hawaii. James has witnessed first hand "how this organization works, how they continue to honor the traditions of the Ilocanos, how they help educational institutions with their efforts to build and develop a better learning environment for students and teachers."

James enjoyed being able to give without expecting anything in return! Thinking of the many people who will benefit from these funds lit up his heart.

EMPLOYEE DESIGNATED GIVING PROGRAM, CONT.

"I MUST AGREE WHEN PEOPLE SAY HAPPINESS
COMES FROM GIVING. KNOWING YOU
PARTICIPATED IN A GOOD CAUSE MAKES IT
EASIER TO CLOSE YOUR EYES AT NIGHT AND
LOOK FORWARD TO TOMORROW!"

-- JAMES IBBAY, DIRECTOR OF CLINICAL SERVICES (DCS)

This is a recent gathering of the Ilocos Surian Association of Hawaii. In September, Islands Hospice and James Ibbay partnered with this organization to donate \$5,000 to their mission.
